VERITAMO global platform and network for luxury travel and hospitality will host its second partners summit, VERITAMO CONNECT MIDDLE EAST, on March 6-8, 2017 in Dubai. The summit will gather luxury travel and hospitality industry companies and experts to share knowledge and best practices with industry peers and provide extensive opportunities to meet new partners face-to-face.

The 3-day summit will provide many opportunities to connect with other attendees and local businesses and discuss potential collaboration opportunities in the Middle East and globally.

It is not accidental that VERITAMO chose Dubai for their second VERITAMO CONNECT. As a key market for luxury travel and hospitality, Dubai is known for its oil wealth, high disposable incomes, demographic growth and proven resilience to crisis. Dubai is the hub for luxury hospitality within the Middle East, North Africa and Asia, and the region is poised for aggressive developments in the coming years in the luxury sector.

Industry notable leaders from all over the world will join the summit: Katie Shapley, the CEO of THE ORGANISERS (UK), Adele Blair, the CEO of The Concierge Collective (Australia), and Bernardo Retana, Managing Partner of Otium (Spain) among others.
